UNMONEY

This note is illegal tender for 1(one) infinite helping of unmoney: Unmoney can only be honored to buy happiness! (but sometimes can be exchanged for life essentials). This is a deliverable promise to selflessly improve another persons life quality through selfless action and to pass it on. Unmoney is 100% backed by personal integrity and on the bankable values of love, empathy generosity, compassion and honor. Unmoney has no copyright or proprietary interests - nor can it be lent at interest or held over someone. If hoarded, not actioned or shared it ceases to hold currency or value. Unmoney can be shared, printed, duplicated, transmitted and multiplied infinitely. Lifetime guarantee or double your unmoney back. No bank charges, levies, fees, agendas and taxed can be applied and it really does buy happiness!
